Dear staff,

This is a private submission from me.

I totally support the entire LGEMA. Submission.

I am a member of LGEMA having joined when I became a City of NEDLANDS Councillor in 2019.

I have read the document that members contributed to.

It is lengthy and very comprehensive.

It has been worked on for months and constantly refined.

Every page has relevant points and the submission has footnotes and passes the academic rigour one would have expected from a lifetime academic.

I thank LGEMA WAS THEIR WORK.

I feel very privileged to be a member. I would like to be recorded by the compilers of all the submissions submitters as being totally in support of our LGEMA submission.

Kind regards

Rebecca Coghlan
