My thoughts on: Transition pet shops to adoption centres (can only sell dogs sourced from rescues).	Non-breeders should not be selling Dogs! out of their Cars or Pet Shops or any where else! (Internet.) Assessment for rescue dogs in pet Shops are good.
My thoughts on: Introduce mandatory dog de-sexing.	YES. + cats too! Not Dogs West.
My thoughts on: Introduce a centralised registration system to identify every dog and puppy.	Yes. not indiscriminant puppy breeding ever.
My thoughts on: Introduce mandatory standards for dog breeding, housing, husbandry, transport and sale.	of course. We would not treat our children otherwise. Pets are part of the family.
