My thoughts on: Transition pet shops to adoption centres (can only sell dogs sourced from rescues).	<i>Yes! This is a positive step forward. I believe a majority of dogs can be rehomed successfully after being adequately assessed for behavioural &amp; social behaviours.</i>
My thoughts on: Introduce mandatory dog de-sexing.	<i>Yes. Can we do some of the owners too?</i>
My thoughts on: Introduce a centralised registration system to identify every dog and puppy.	<i>The sooner the better, maybe introduce social days &amp; training classes at the same time.</i>
My thoughts on: Introduce mandatory standards for dog breeding, housing, husbandry, transport and sale.	<i>Something like this should <u>already</u> be part of Australian law to ensure the correct treatment of All domesticated pets.</i>

Dogs Nest should.
