

RULES FOR PLAYING GO TO THE RACES

1. Races shall be played using recorded images, each showing a single race participants race.
2. Each recorded image shall be received from the supplier in sealed containers.
3. There is to be no indication as to the racetrack or when the race was run on the container or casings of the recorded images.
4. The race participants in each race shall be identified by number only.
5. The receiving of bets and/or the operation of equipment shall be controlled by a person or persons who for the purpose of these rules shall be known as a dealer.
6. A dealer shall not be permitted to wager.
7. A player plays by either:-
 - (a) wagering on which race participants number they think will win;
 - (b) bidding at auction for the race participants number they think will win; or
 - (c) wagering on a quinella finish for 1st and 2nd place.
8. In relation to rule 7(a), bets are to be in units and each unit shall be a defined amount which shall be made known to the public or displayed on a sign at the betting table before betting commences.
9. In a race where race participants are auctioned under rule 7(b):-
 - (a) all race participants in the nominated race must be auctioned; and
 - (b) the person who bids the highest price for race participants shall be the person to whom that race participants number will be allocated for the purposes of that race.
10. A sealed recorded image shall not be selected for play until:-
 - (a) where wagering is conducted on a race under rule 7(a), after all wagering is completed; and
 - (b) where race participants are auctioned under rule 7(b), after the auction is complete.
11. A sealed recorded image shall be selected at random by a person other than the dealer in view of the public.
12. A recorded image shall only be shown once during the course of the function.
- 13A. Where wagering has taken place on a race in accordance with rule 7(a):-
 - (a) the total prize pool shall be not less than 60% of the total amount wagered;
 - (b) an individual's payout shall be determined by the number of units wagered; and
 - (c) the prize pool is to be divided as follows:
 - (i) the amount allocated for the winning payout is to be divided equally amongst the number of units on the winning number; and
 - (ii) should second and third place payouts apply, the amount allocated for the second place payout is to be divided equally amongst the number or units wagered on the second placed number, and the amount allocated for the third place payout is to be divided equally amongst the number of units on the third placed number.
- 13B. (1) Where the race participants are auctioned in a race under rule 7(b) the prize pool shall be not less than 60% of the total amount raised by the auction and paid out as follows:-
 - (a) total prize pool to the person who bid the most for the number of the winning race participant, where only the winning number is to paid; or

RULES FOR PLAYING RACES (continued...)

- (b) where the first, second and third place getters are to be paid:
 - (i) 50% of the prize pool to the person who bid the most for the number of the winning race participant; and
 - (ii) 30% of the prize pool to the person who bid the most for the number of the second placed race participant; and
 - (iii) 20% of the prize pool to the person who bid the most for the number of the third placed race participant;

- 13C. Where wagering has taken place on a race in accordance with rule 7(c):-
 - (a) the total prize pool shall not be less than 60% of the total amount wagered;
 - (b) an individual's payout shall be determined by the number of units wagered;
 - (c) the prize pool is divided equally amongst the unites on the winning quinella; and
 - (d) quinella prize pool in final race – if unclaimed – defaults to the club hosting the event.

- 14. Persons under the age of 18 years shall not participate in the game either as a player or a dealer.
